

NEWS AND UPDATES

Acosta Medical Group and The Family of Incontinence Products™.

As an investor in AMG and a supporter of our mission, we want to keep you informed and show you how your investment is making a great impact.

Here's the latest...

- One patent has been issued as of March 17, 2020, with another three pending (including international)
 - Multiple Trademark protections have been established
 - We are a Registered Medical Device Company, compliant in 21 CFR 820 Quality System Regulation, and ISO 13485:2016 Medical Devices - Quality Management Systems
 - We are in the process of fulfilling our "Angel A" round investment of \$2,000,000, offering Common shares at \$0.30 (*\$0.25 for current investors*)
 - The proceeds of this offering will be invested in launching our initial product, which is in production development and testing phases now
 - There remains no competitive product to serve this need
 - Hospitals, assisted living residences and the military are ready when we are to help us deploy the device in their facilities
 - Based on a 2020 study, the financial impact projects a savings of 48% (an annual savings of over \$4,000 per patient)
 - **We are actively working toward:**
 - Field trial product produced from production materials and processes from our manufacturing partner, AJ Medical (11-1-2020)
 - Field trial results obtained, evaluated and changes implemented (12-1-2020)
 - Production processes validated and released at AJ Medical for production (1-5-2021)
-

Thank You!

We are so grateful for your support! If you are interested in new or additional investment opportunities, or know someone who may be interested in joining our mission, please connect with us to discuss the long-term and universal value of investing in AMG.

Thank you for your ongoing support in making an impact through:
