

Make the Most of 2020!

Lock in Your Investments Before Year-End

With the end of 2020 just around the corner, there has never been a better time to make a meaningful investment.

At this time, the price per share of Acosta Medical Group stock is **\$0.30** for new investors.

Given the projected growth of AMG, it is currently expected that the price per share may be increasing soon.

Field trials for the Uro-Gard™ will begin soon, with market launch planned for the first quarter of 2021. Proven market acceptance of this game-changing device makes it an exciting time to make an investment in AMG stock to be a part of the expected growth of the company.
